Greenwich Junior After-School Tennis Coaching Program

Greenwich Junior After-School Tennis Coaching is available from AB Tennis (Andrew Bennett) in association with the Greenwich Tennis Club (GTC).

This is a great way to introduce your kids to the game of tennis where they can learn the tennis basics and then progress their skills in a fun and supportive community environment. With after-school squad coaching they will learn with existing school friends and make new friends in a way that is designed to grow a life-long love for tennis.

AB Tennis provides high quality coaching in a fun environment. Andy Bennett is an ATPCA Level 3 Certified (Master Pro) Coach and is also qualified as a Master Trainer in Fitness - Certificate III and IV. He loves working with the kids and they love working with him and his coaching team.

The Greenwich Tennis Club works together with AB Tennis to provide a quality community tennis facility at Leemon Reserve in support of the Junior After-School Tennis Coaching Programme. The Club organises an annual Junior Championship competition every year to provide an opportunity for the children to apply their skills in a match situation. A variety of social tennis afternoons and holiday tennis camps are also on offer, providing fun opportunities to apply their skills.

Club Membership / Fees - GTC requires that ALL children in the Junior After-School Tennis Coaching Programme become financial Junior Club Members after an initial FREE 4-week try-out period. (Similar arrangements exist for Lane Cove Tennis Club.) The Club's Junior Annual Membership fees are just \$35. Full details and application is via the website <http://www.greenwichtennis.com.au/GrnTC-Membership.aspx>
