Above is a timetable highlighting the current availability of courts at Greenwich Tennis Club and considers the following:

1. These reservations comprise a blend of paid bookings, competition and Term Bookings
2. During School Holidays: Term Bookings DO NOT have priority; No Ladies Comp; No Saturday Comp; No Junior Squads. Share the courts.
3. Every attempt has been made to ensure the GTC policy of flexibility for spontaneous and social tennis remains.
4. Effort has been made to keep a court free wherever possible, except for those times when competition is scheduled.
5. COACH times are reserved (and actually paid for by the COACH as per the GTC requirements with Lane Cove Council)
6. Any future Term Bookings or requests for such will require the approval of the Committee of the GTC
7. The Committee of the GTC manages the costs of running the courts via a combination of membership fees and paid bookings.
